The diagram illustrates a sequence of events and participants. It features several labeled boxes and connecting lines. On the left, there are three stacked boxes labeled E1, E2, and E3, each containing 'BYE'. Below them are two more stacked boxes labeled E4 and E5, each containing 'BYE'. To the right of these is a large box labeled E7, which contains 'Jean SCHOEMAN' and '7-6(1), 6-0'. Further to the right, there is a box labeled 'Jean SCHOEMAN'. Lines connect the boxes in a way that suggests a flow or relationship between the events and participants. Specifically, lines connect the 'BYE' boxes to the 'Jean SCHOEMAN' box, and the 'Jean SCHOEMAN' box to the 'Jean SCHOEMAN' box. There are also lines connecting the 'BYE' boxes to the 'Jean SCHOEMAN' box.
